

Announcing our 19<sup>th</sup> Annual  
**Student Led Conferences**  
November 15<sup>th</sup> and November 16<sup>th</sup>

Parents and guardians are cordially invited to attend their high school student's fall conference. These conferences are Student Led, meaning your child will communicate with you about their learning processes and strategies looking beyond just the grades, to an audience that has a genuine interest in their education. By participating in your child's conference you will be able to share in and actively support the learning process of your child.

Students will prepare their own conferences with their Seminar Advisors during the first two weeks of November; which are already upon us. On the afternoon or evening of their conference each student will have twenty-five minutes to present to his/her parents and Seminar Advisor. This presentation is a component of the student's portfolio which is a graduation requirement for ALL students. Each student MUST complete a Fall conference. Please sign-up with your child's advisor by indicating your top 3 choices on the attached form.

When you attend your child's conference you can expect that your child will:

- ★ Take the lead role in his/her conference
- ★ Self-assess his/her 1<sup>st</sup> quarter strengths and areas of progress
- ★ Look at and discuss 1<sup>st</sup> quarter work samples to demonstrate evidence of learning
- ★ Self-assess areas which need improvement(s)
- ★ Set one or two learning goals for next term;
  - Juniors and seniors will also share their post-secondary goals they have been developing during Seminar.
- ★ Identify ways to help meet those goals for second quarter
