

# WELCOME

08/30/2017

Dear Parents and Guardians,

Welcome to the 2017-2018 school year at Kingfield Elementary School! I can't wait to meet all of you soon, as I start a new journey here as the principal of KES. It's going to be a year filled with fun, learning, and new adventures. Our Ice Cream Social will be on Thursday, September 7th from 5:30-6:30. You can meet new staff, learn more about the school and have any questions that you may have answered.

First, let me tell you a little bit about me. Professionally, I have worked in the field of education for the past 18 years. I have held a variety of roles from daycare director to teaching and administration. I have worked with students of all ages from birth to grade 12. Personally, I live in Anson with my husband and three daughters (and a variety of pets that I may share stories about from time to time).

I look forward to working with the families of Kingfield (and some of the surrounding areas)! Today all students in grades K through 8 were able to see an amazing guest perform and share some inspirational messages with the students. Please ask your child about our visitor. His name is Rob Surette. He was paid for with funds from the district's Gear Up grant.

If you have any questions, please do not hesitate to ask! I can be reached at the school at 207-265-4132 or [jela@msad58.org](mailto:jela@msad58.org). See you soon!

Jaime Ela-Principal
